Art Unit: 2629

DETAILED ACTION

1. The examiner has tried several times to get in touch with applicant's attorney Mr. Suvashis Bhattacharya and left a couple of voice messages in an attempt to do an examiner's amendment. However, Mr. Bhattacharya never call back the examiner, therefore, the 112, 2nd rejection is maintained and the action made Final.

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 4-9, 40 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 4-8, 40 recite the limitation "the moveable portion". There is insufficient antecedent basis for this limitation in the claims since claim 1 recites "a first moveable portion" and "a second moveable portion". In addition, "the outer surface" (claim 40) is insufficient antecedent basis for this limitation in the claim since claim 1 recites "a first partial outer surface" and "a partial second outer surface".

Allowable Subject Matter

4. Claims 1, 3, 12-20, 22, 23, 26, 27, 30, 31, 37-39, 41, 42 are allowed.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
